HON. AMADO I. ESPINO III
Provincial Governor, Pangasinan
Urduja House, Lingayen, Pangasinan

Dear Sir:

Greetings from the Department of Trade and Industry (DTI) Pangasinan Provincial Office.

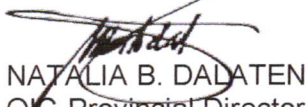

Pursuant to the Proclamation No. 922 Declaring a State of Public Health Emergency throughout the country amid the spread of Novel Corona Virus Disease (COVID-19), DTI imposed a nationwide price freeze on basic necessities. As provided by Republic Act No. 7581 otherwise known as the Price Act, the prices of basic necessities are frozen at prevailing prices for 60 days or until lifted by the president.

Relative to this, we are respectfully furnishing you a copy of our Price Freeze of basic necessities and the latest monitoring report dated March 30, 2020, for your information and reference. Based on our monitoring, prices remained stable and supply is adequate in the province.

Moreover, as we recognize the effort of the Provincial Government to fight the pandemic crisis our country is facing, may we suggest that your good office will encourage the Local Government Units (LGUs) to set-up a satellite market and/or mobile store in each Barangay especially in far-flung areas to ease the burden of our consumers going to the town proper/public markets to buy their basic needs as a measure to prevent the spread of COVID-19. May we also request that you convene the Local Price Coordinating Council of the province to discuss possible price movements of basic necessities and prime commodities.

Sincere regards and highest esteem.

Very truly yours,

NATALIA B. DALATEN
